

## Maintenance, After Care, Warranty

- With the right maintenance and after care, your outdoor macrocarpa furniture will look amazing for many years.
- All our furniture is oiled with 3 coats of Watty Forestwood Decking Oil; Colour - Rustic Oak. This is an oil based penetrating oil, which dries hard to give outstanding wearing characteristics. This oil also protects and enhances macrocarpa from the elements.
- Your furniture should be recoated every Sept/Oct or sooner if required.
- The horizontal surfaces of your macrocarpa furniture are exposed to the elements.

The recoating instructions as follows:

1. Purchase oil from a Mitre 10 store or similar paint store.
2. Remove dust and grime by scrubbing the dirty surface with sugar soap or household detergent.
3. Wash surfaces clean with clean water and brush, and allow to dry.
4. Lightly sand with cork sanding block and 180 grit sand paper. Sand in the direction of the grain to avoid scratches.
5. Dust off with vacuum or soft cloth.
6. Apply thin coat of furniture oil with speed brush or paint brush.
7. Leave for 24 hours at 20 degrees, or longer at lower temperatures.
8. No sanding between coats, just wipe with a soft cloth and apply thin second coat.

**Warranty:** In the unlikely event of a product failure –

The Macro Factory offers a two year repair or replacement warranty with all our macrocarpa furniture when it is returned to our factory.
